Lorence Wenke Works for You!

Creating Jobs

Lorence Wenke knows good jobs grow in the right places. He helps make Southwest Michigan the right place by creating tax incentives for start-up businesses and securing funds for local job providers. He also does his part by employing over 200 people in his small business. He knows how to create good jobs because he's done it.

Keeping Jobs

When many jobs were leaving Michigan, Lorence Wenke acted. To keep jobs in Southwest Michigan, Wenke secured \$10 million to retain scientists and stimulate our local bio-science industry and he consistently works with companies to solve their problems and keep people employed.

Cutting Taxes

Cutting taxes stimulates job growth and promotes strong families. As Chair of the powerful House Tax Policy Committee, Wenke worked for you to cut taxes more than \$250 million. While in the legislature, he also helped to cut state spending by 5 percent.
