## WENKE ANNOUNCES BUSINESS ENDORSEMENTS

LANSING – State Representative Lorence Wenke (R-Richland), running for re-election in the 63<sup>rd</sup> District of the House of Representatives, announced endorsements from key Michigan business associations today.

Wenke has supported small businesses throughout his term in office, protecting them from high taxes and competition from out of state businesses. As the owner of two greenhouses, Wenke knows how hard it is to run one's own business and has first hand knowledge of the pride a small business owner takes in their business.

Endorsing Wenke are:

- The Michigan Farm Bureau AgriPac, calling him a "Friend of Agriculture" and stating he has proved his commitment to Michigan businesses while in office.
- The Michigan Restaurant Association. "Wenke has displayed ample support for Michigan's restaurants and his commitment to the protection of the free market and in preventing harmful regulations and allowing Michigan's restaurants to flourish proves he is right for the job."
- The Michigan Credit Union League Action Fund (MCULAF) unanimously endorsed Wenke in his bid for re-election, citing he is a proven asset to the business community and follows their philosophy of "people helping people."

Wenke is owner of Wenke Greenhouses in Michigan and Sunbelt Greenhouses in Georgia with over 200 employees. He is also co-owner of Michigan Grower Products in Galesburg, Michigan. He was named National Greenhouse Grower of the Year in 1999.
